

SHE GOT WHAT SHE WANTED

This Woman Had to Insist Strongly, but it Paid

Chicago, Ill.—"I suffered from a female weakness and stomach trouble, and I went to the store to get a bottle of Lydia E. Pinkham's Vegetable Compound, but the clerk did not want to let me have it—he said it was no good and wanted me to try something else, but knowing all about it I insisted and finally got it, and I am so glad I did, for it has cured me."

"I know of so many cases where women have been cured by Lydia E. Pinkham's Vegetable Compound that I can say to every suffering woman if that medicine does not help her, there is nothing that will."—Mrs. JANETZKI, 2903 Arch St., Chicago, Ill.

This is the age of substitution, and women who want a cure should insist upon Lydia E. Pinkham's Vegetable Compound just as this woman did, and not accept something else on which the druggist can make a little more profit.

Women who are passing through this critical period or who are suffering from any of those distressing ills peculiar to their sex should not lose sight of the fact that for thirty years Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs, has been the standard remedy for female ills. In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

BISSEN'S WIDOW WILL BE HELPED

A relief fund for the benefit of the widow of Henry Bissen was decided upon at a meeting of the Y. M. C. A. directors yesterday afternoon and the subscription lists have already been opened. Bissen was the man who fell from the roof of the new Y. M. C. A. building last Saturday and was almost instantly killed. He leaves a wife and several children, the youngest only a few weeks old.

Before the directors got through, they had subscribed more than \$100 among themselves. B. H. Trent, F. C. Atherton and Paul Super have been named as the subscription committee. It is planned to place the fund with one of the trust companies and use the proceeds as a monthly income for the widow. Bissen had many friends and the crisis that has faced his widow has aroused widespread sympathy for her and her children.

GAMESTERS MAKE CONTRIBUTION

"We need the money," sighed Chief of Detectives McGuire as he rounded up his large contingent of Chinese, Japanese and Filipinos at police station this morning preceding the hearing before District Magistrate Lymer. The coffers of the City and County were considerably enriched as a result of three successful raids made by the city detective department assisted by a number of police officers.

Thirty Chinese names were called by Clerk Fred Weed this morning. Fifteen Celestials evidently thought discretion the better part of valor and at any rate were conspicuous by their absence. As they had each deposited ten dollars in good coin of the realm with the station receiving clerks upon their arrest, this sum was thereupon declared forfeited by Judge Lymer.

Attorney Andrews appeared for the fifteen who dared face the presence of the court. A general plea of guilty was entered and after a weekling out of "repeaters" and old offenders, fines ranging from five to twelve dollars were assessed.

With a polite bow and "thank you very much," eleven Japanese were next arraigned upon a charge of being present at a place where gambling was being conducted. All pled guilty and were assessed fines ranging from five to ten dollars with the costs of prosecution added.

The last on McGuire's little list were eight Filipinos who had dallied with the fascinating game of monte, unwisely, but too well.

These also received attention at the hands of the court after a line of testimony had been offered.

Forty-nine Orientals rendered small but useful financial assistance to the municipal government this morning as a result of the raids made upon illicit gambling by the police.

KOREANS ANXIOUS TO SETTLE IN HAWAII

Coast papers arriving yesterday brought the news that a number of Koreans who went to Yucatan, Mexico, to live several years ago have had enough and would like to try Hawaii. Local Koreans are said to have heard the same thing. It is reported that the Mexican colony numbers about 1000.

The Koreans are free to come here but interpreters of the Federal law say that no assistance can be given them either by the sugar planters or the Territorial Board of Immigration, such inducements being forbidden.

INDEPENDENT THEATER.

There continue to be three changes every week at the Independent theater on Hotel street near Nuuanu, and there continue to be full houses at every performance. The reason of the latter is that the pictures are carefully chosen, are always of an entertaining variety and without anything to which objection can be made, and are shown so smoothly and with such brilliance that it is a pleasure to the eye and a joy to the mind to behold them. The Independent is the cheapest house in the city and at the same time gives an excellent program, so the spectator gets as much as he would at any other theater.

The auto contest, for the \$850 Ford runabout, is creating a stir and contestants are daily increasing while the votes pile up accordingly.

The Honolulu Construction and Draying Company has been awarded the contract for supplying the crushed rock and sand used in the erection of the quarters at Fort Ruger. The stone furnished by the company is of a high standard.

KAWANANAKOA TO LOSE COMPANION?

Mrs. Kate Voorhies Henry May Not Go to Coronation, Says the Call.

Mrs. Kate Voorhies Henry, of San Francisco, who visited here a few months ago and was a conspicuous society figure, is the theme of the following article in a recent San Francisco Call:

Will Mrs. Kate Voorhies Henry forego the pleasure and privilege of a seat of honor at King George's coronation in the company of her friend, the Princess David Kawanakoa, or will she accept the hand of a well-known family clubman, whose business interests would limit their honeymoon to this state?

Conflicting Emotions.
This is a question that the charming leader of the old southern set has not yet answered. The princess arrives from Honolulu next Thursday to leave next day for London. She expects Mrs. Henry to share honors awaiting her. The young clubman is engaged in projects that need his constant care at this time, so that he is a slave of duty as well as of romantic emotions. With one eye on business and the other on Cupid, he covers both. Mrs. Henry is torn also by conflicting emotions, for lovers are by no means so scarce as the coronation of kings. And although she has slipped with him many a cup of tea in the Palace and Palmont tea rooms, while busy gossiping over romance, she has confessed to friends that she can not yet make her choice. Meantime the princess is starting on her way to London.

Former Marital Experience.
Mrs. Henry, formerly Miss Kate Voorhies, is the daughter of Mrs. Alford Hunter Voorhies and the late Doctor Voorhies. She is connected with the army set through her brother-in-law, Major H. P. Young. The handsome Voorhies home in California street was used by the Army and Navy club for some time. Her former marital experience resulted disastrously four years ago, when those who heard the evidence in court remained decidedly in sympathy with her.

The Princess Kawanakoa is one of the most beautiful women in the Hawaiian Islands and was a great favorite of foreign diplomats in the days of the kingdom. This helped to pave the way for the social recognition she will receive during the coronation ceremonies. Only recently she was visited at Honolulu by Mrs. Henry. The delicate contrast in the blonde of the one and the brunette tint of the other is much admired.

Man Is Eligible.
The man in the case is one of the most eligible bachelors in town. He has long been under the eyes of ambitious mammas, only to fall before the charms of Mrs. Henry. She refused yesterday to divulge his name.
